SPECIAL EVENT FOR FIRST TIME BUYERS
Come along and ask questions or just

Is affordability a major issue for you? • Short of a deposit? • Not enough income? • Do you want to find out what incentives builders are offering and what developments they have planned over the next year? • Do you want to know how much mortgage you can obtain, how much it will cost, how much deposit you need? • Do you want to obtain free information on setting up your first home? • Do you want to understand the legal process of buying a house? • Are you a parent or grand-parent wondering how you can help one of your children on to the property ladder?

To find out answers to these and any other questions you may have about buying a house, come along to the special free event.

The event is brought to you by **First House Network**, which brings together the local council with estate agents, solicitors, housing associations, property developers and financial advisers.

These organisations will be at the event to give advice and information about what is on offer and how to proceed in the most suitable way for your circumstances.

Along with exhibitions, there will be a series of short seminars that will run from 11.30 am covering subjects such as:

- **How Can Cheshire West and Chester Council Help?**
